

Research by practice workshop

ECTS : 3

Description du contenu de l'enseignement :

The workshop aims at combining playful collaborative styling exercises, based on creative instinct and co-creation, with a rigorous research methodology centred on documenting, archiving, analysing and criticising.

Compétence à acquérir :

- Discover differences between academic and design experiments
- Learn research methodology through practice
- Explore the power of collective intelligence and co-creation
- Envisage experimenting as being a playground where risks are taken
- Discover the power of iterations
- Integrate the fact that creativity can emerge from anywhere
- Adopt a « hacker » mentality
- Learn to do a lot with nearly nothing
- Develop designing abilities of non-designer students and aptitudes of designer students to discover new ways of conceiving silhouettes
- Approach fashion silhouette conception directly in volume instead of through drawing
