

Pre-project Master 1

ECTS : 6

Description du contenu de l'enseignement :

All courses and workshops from the first semester are meant to feed the pre-projects. Each student can focus on her/his own area of interest, by considering upstream to downstream activities in the domain of fashion and materials. The pre-project is grounded on practice with design experimentations and nurtured by personal research and readings. Tutoring sessions are proposed to help students develop their personal and collective experimentations.

Compétence à acquérir :

Pre-projects open the field of action and reflection. Students are expected to develop perspectives for the dissertation they work on during the second semester.

Mode de contrôle des connaissances :

- 20% Warm-up challenge (group work)
- 80% Pre-project (individual or pair work)
