- ACFE typology
- Fraud schemes
- Prevention
- Fraud cases
- Moral and Sexual Harassment
- Example of corporate policy: anti-harassment

Compétence à acquérir :

This course will look into organizational processes meant to address integrity risks, may they be related to fraud, corruption, or workplace misconduct. Properly addressing them is a key expectation of stakeholders who hold managers accountable for maintaining institutional integrity, setting the right tone and maintaining the reputation of their organization.

Students will learn

- How to identify key integrity issues of multinational organizations;
- To act on the levies of organizations to mitigate risks and create a value proposition;
- Link internal processes with legal risks and perception by stake holders;
- Control processes to prevent social risks.

Mode de contrôle des connaissances :

In-class presentation and supporting document in an agreed format (verbatim, slides, research, video, ...)

Document susceptible de mise à jour - 01/04/2026
