Sociology of Armed Conflicts II

ECTS : 3

Enseignant responsable : Aurelie DAHER (https://www.aureliedaher.com)

Langue du cours : Français

Volume horaire : 18

Description du contenu de l'enseignement :

- (in class) An empirical and analytical study of conflict dynamics in the Middle East region: sectarian, political-islam related, foreign-intervention related, and political/economic conflicts.

- (in class) Exploring and questioning notions and common ideas about violent conflicts, whether domestic or extra-national.

- (through readings): Comparative readings that help explore the dynamics of conflicts worldwide and through time.

Compétences à acquérir :

- A better empirical knowledge of current conflicts.

- A better analytical understanding of the mechanisms of political violence and the levers required for conflict resolution.
