Master Thesis

ECTS : 24

Description du contenu de l'enseignement :

The goal is to write a Master thesis that links what you have learned during your degree, what you will learn in the books or journal articles on the subject you have chosen to write about, and what you will learn from your experience with professionals in the context of your courses and/or internship.

Compétence à acquérir :

Students are expected to review and delineate a subject, to identify an original angle and develop an argument, to construct a relevant bibliography, to synthesize the important documents, to make use of both theoretical (studied in class) and practical knowledge (gained through your internship), and to think critically and to suggest directions for further research. And finally, to produce an interesting, well-written and synthetic document.
