Compétence à acquérir :

The AMF General Regulation requires investment services providers to verify that persons exercising certain functions under their authority or on their behalf have a minimum level of knowledge in 12 areas relating to the regulatory and ethical environment and financial techniques.

The AMF Certification is an online course proposed by an institution certified by the AMF. The M2 104 Research in Finance gives to some students the possibility to follow it and to validate the exam, during the second semester. The fees of the Certification are offered to the 5 students who obtained the highest grades during the 1rst Semester.

Mode de contrôle des connaissances :

One line examination / On site examination, at Dauphine, when possible
