Frontiers in Finance

ECTS : 0

Description du contenu de l'enseignement :

Content: This course is mandatory for the students enrolled in the cursus Phd Qualifying Year. It is optional for all others.

- Presentation of the research team and academic careers
- Presentation of the Dauphine PhD program in finance
- Series of seminars on topics situated at the frontiers of finance.

Compétence à acquérir :

The course Frontiers in Finance is a serie of seminars, proposed by academics of the university PSL Paris Dauphine. Most of them are members of the research team DRM-Finance.

The aim of this course is to present the different steps of an academic career (sessions 1 and 2) and to offer a view on recent researches in finance performed by the members of the team (all other sessions). This is an open view on what could be done after the M2 104, as well as on the state of the art in finance.

This course is mandatory for the students enrolled in the cursus Phd Qualifying Year. It is optional for all others.
